those seas by the latter power from nee. In the meantime they are to the port of Nikolaievski, at the stand ready to receive advances from mouth of the Amoor, to that of anti-Sherman men relative to a commonth of the Amoor, to that of anti-Sherman men relative to a commonth of the Amoor, to that of anti-Sherman men relative to a commonth of the Amoor, to that of anti-Sherman men relative to a commonth of the Amoor, to that of anti-Sherman men relative to a commonth of the Amoor, to that of anti-Sherman men relative to a commonth of the Amoor, to that of anti-Sherman men relative to a commonth of the Amoor, to that of anti-Sherman men relative to a commonth of the Amoor, to that of anti-Sherman men relative to a commonth of the Amoor, to that of anti-Sherman men relative to a commonth of the Amoor, to that of anti-Sherman men relative to a commonth of the Amoor, to that of anti-Sherman men relative to a commonth of the Amoor, to that of anti-Sherman men relative to a commonth of the Amoor, to that of anti-Sherman men relative to a commonth of the Amoor, to that of anti-Sherman men relative to a commonth of the Amoor, to the third that the anti-Sherman men relative to a commonth of the third that the anti-Sherman men relative to a commonth of the third that frontier, and practically in Japnese waters, will, it is thought, hring about a collision. The more we hear of the Japanese, however, the more "knowing" a people they seem to be, and perhaps they have the rare wisdom not to bark before they are ready to bite. When the steam fleet they are ready to bite. When the steam fleet they are leady to bite. When the steam fleet they are building is fair-ly afloat, that time may, in their judgment, have arrived.

promise candidate.

The feebleness of the Thiers gov roads than they do now. Indeed, we are of the opinion that if some of our old towns here in Ohio, could for a single week watch the stir and bus to fee and show a spirit of new life. But we will leave our readers here, and if they have been benefitted by anything we have said, all well, if not, we presume it is all well also.

I see in the last week's Farmer an article in relation to small-pox, in which it says, that small-pox is in nearly every town except Millersburg. We have none in our town or near here. But I will bely some activeties. We wanted the stir and bus tile ly ou what we did have the next day after Chrisimas: There were four young men who came to this place from Milersburg and got very drunk; ran about the streets with milk-strainers on their beads, and done a great many other simple and discreditable capers, such as jumpling on farmers' buggles, &c.

I see in the last week's Farmer an article in relation to small-pox, in which we are toke in relation to small-pox, in which we are toke it says, that small-pox is in nearly every town except Millersburg. But I see in the last week's Farmer an article in relation to small-pox, in which we are toke it says, that small-pox, we have none in our town or near here. But I will led you what we did have the next day after Chrisimas: There were four young men who came to this place from Miles Durant A. G.I. W. B. Parsonace. M. E. Parsonace. M. S. W. LAUBACH. P. M. E. Parsonace and who exame to the last week's Farmer an article in relation to small-pox, in wh frontier, and practically in Japaese

NOYES.

Inaugural Address of Governor R. F.

Gentlemen of the Senate and House of Representatives: Davenport Gazette, and spent a half In accordance with the expressed will Davenport Gazette, and spent a half hour or so in general conversation.

This office is well fitted up and the proprietors are meeting with great success financially and politically. ed as Chief Magistrate of a State, num

the proceedings of the other faction in the Legislature declared null and void and a new Speaker elected. The anti-Warmoth faction, headed by Speaker Carter, held a meeting in another place and declared the Warmoth party in the State House not to be a legal Legislature. Plans, it is reported, were concocted for a specific place in the Legislature declared null and to cross the track before the engine, was the cause of the accident, we did not learn.

All right again, and away we glide to the east as though nothing had happened. The old "iron horse" is a very stubborn fellow and generally has his own way, defying everything that it comes in contact with.

We have heard Mr. Colfax express that the convenient of the first place:

The last issue of Harper's Weekly says that Mr. Colfax has frankly admitted that notwithstanding his avowed intention to retire from public life at the close of his present term, yet if a nomination is offered him by the Republican Convention, in will feel bound to accept it, and it further says that the nomination would probably be acceptable to him.

We have heard Mr. Colfax express that it comes in contact with.

himself freely and frankly on his in-intention to retire from public life at the expiration of the time for which he House. The police, militia, and U.
S. troops are all under arms, but on which side their power will be used is not clear. It is reported that the President has rebuked the United States Marshal for arresting Governor Warmoth.

It is a disgraceful state of things.

mated that, generally, it was the ignorant, shiftless people that generally emigrated west. While we bition was satisfied, and he had no de-
